

Programme des sessions

1 avril 2014

**Analytical chemistry: from data (pre)-
treatment optimization to data mining, data
fusion and big data.**

***Analytical chemistry and chemometrics: a
tool for skin physiological and
physiopathological characterization.***

Faculté de Pharmacie, AB 19/5
5, Rue Jean Baptiste Clément - 92290 Châtenay-Malabry

mar. 1 avril

10:30
11:00

Analytical chemistry and chemometrics: a tool for skin physiological and physiopathological characterization.

Session poster | **Site:** Faculté de Pharmacie, AB 19/5, 5, Rue Jean Baptiste Clément - 92290 Châtenay-Malabry
