

Programme des sessions

2-4 oct. 2019

programme du workshop franco-ukrainien

Accelerators - 1

IJCLab

mer. 2 octobre

09:10

Accelerators - 1: Accelerators - 1

Session | Site: IJCLab

09:10 - 09:50

Geometrical optics method in the theory of scattering of high energy charged particles in matter

Orateur

Mykola F Shulga

09:50 - 10:10

Study of the formation region effects in the properties of radiation by a "half-bare" electron interacting with matter

Orateur

M. Sergii Trofimenko,

10:10 - 10:30

Progress with ThomX X-ray line

Orateur

Marie Jacquet

10:30 - 10:50

Optimization of X-ray source at IAP

Orateur

M. Oleksandr Lebed

10:50 - 11:00

Discussion

11:00
