

Programme des sessions

2-4 oct. 2019

programme du workshop franco-ukrainien

Accelerators - 3

IJCLab

ven. 4 octobre

09:00

Accelerators - 3: Accelerators - 3

Session | Site: IJCLab

09:00 - 09:20

Total scattering cross-section at passage of fast charged particles through ultrathin crystals**Orateur**

M. Sergii Shulga

09:20 - 09:40

Advantages of hybrid positron sources for e⁺e⁻ colliders**Orateur**

Robert Chehab

09:40 - 10:00

FCC-ee positron source**Orateur**

Iryna Chaikovska

10:00 - 10:20

Introduction to the plasma wakefield acceleration and hybrid methods of acceleration in plasma**Orateur**

Mme Elena Kononenko

10:20 - 10:30

Discussion

10:30
